

Gail Trent Risner

Painting on 13th Avenue South Across the Street from A Mano

Born in the Black Hills of South Dakota, and having lived in Kentucky, Indiana, California, Chicago and Naples, Fl., Gail Trent Risner has had the opportunity to experience a wide variety of the country's landscape. "From the ubiquitous palm with a backdrop of sand and ocean, to the humble sea grape, Florida offers unlimited material for interesting studies in composition, form and color." Color, light and the physical attributes of paint itself are among the interests Gail pursues in her paintings.

Gail is a returning artist that has been participating in Third on Canvas since 2010.
