*Painting on 3rd Street South at Cleopatra's Barge*

---

Born in Italy and attended School in New York City. After graduating, I worked as a graphic artist and taught fashion illustration. The Von Liebig Art Gallery and Collier County Library have displayed my work many times. I painted bowls for the Harry Chapin Empty Bowls fundraiser as well as two turtles for the Turtles on the Town charity fundraiser.

Teresa is a returning artist in participating in Third on Canvas for her third time.
